Tip cleaners

Cat N°: P000654018

2009-294

Used to clean welding and cutting nozzles to restore nozzle performance. Contains a range of round needle files in a metal carry case.

Spark lighter

Cat N°: P000654008

0875-66

Traditional tool with five renewal flints.

Cat N°: P000654010

2012-116

Gun model with ten renewal flints.

PROTECFLAM

Heat shield protection for walls and floors during gas welding, brazing or soldering.

PROTECFLAM

Single use
200 x 250 mm

Cat N°: P000784280

Blister pack of 3 shields

2006-397

Asbestos free

PROTECFLAM TECH

Very flexible (memory effect)
Long life duration
Both sides usable
200 x 250 mm

Cat N°: P000784281

Pack of 20 shields

2005-272R

No toxic fumes release

Inspection mirrors

- Mirror with magnetic stand

Cat N°: P000403012

2004-6-03

2004-6-02

Cat N°: P000403014

Spare part: mirror.

- Circular telescopic mirror

Cat N°: P000403016

2009-297

2009-298

For all angle viewing. Fast and accurate visual inspection of hidden areas with an almost limitless number of positions.
